A METHOD AND APPARATUS FOR ELECTRONIC NEGOTIATION OF
DOCUMENT CONTENT

Commissioner for Patents
Washington, D.C. 20231

PRELIMINARY AMENDMENT

The following preliminary amendments and remarks are respectfully submitted in
connection with the above-identified application.

IN THE ABSTRACT OF THE DISCLOSURE

Please insert the following Abstract:

--A method and apparatus provide for the negotiation of the content of a document via an electronic exchange. In one example an electronic exchange operates as a repository of forms of contracts. A user can initiate a negotiation process by selecting a form contract and, if desired, customizing the contract to a particular transaction. The user can then advise a third party as to the existence of the contract on the exchange. The parties can then conduct a negotiation of

contract terms on the exchange in accordance with permissions prescribed by the exchange and/or the user.--.

REMARKS

Claims 1-10 remain pending in the present application.

The above amendment to the specification has been made to insert an appropriate Abstract of the Disclosure which was inadvertently omitted.

Should the Examiner have any questions or comments concerning the above-identified application, please feel free to contact the undersigned at the phone number listed below.

Respectfully submitted,

COOLEY GODWARD LLP
